The Special Care Team

Our Special Care Team consists of:

- ▲ Attending Physicians who provide care in collaboration with the special care team and in consultation with Alberta Health Services/Calgary Zone.
- ▲ Registered Nurses who provide 24 hour care and support.
- ▲ Recreation Therapy programming that offers social and quality of life activities aimed at maximizing resident growth and potential.
- ▲ Care Aides who provide personal care, companionship and daily assistance.
- ▲ Ready access to Social Work, Physical and Occupational Therapy, Psychiatry and Dietary professionals to meet the individual resident needs.

Care Services

We welcome your loved one to our Special Care Unit.

In fulfilling Intercare's Vision of being the

"Heart of Excellence"

we offer a caring environment that will support your loved one through life enriching social and recreational activities based on our

HOPE Model of Care

Honoring dignity and choice;

Opportunities for growth;

Promoting independence; and

Engaging residents, families and community partners.

The Special Care Unit

Intercare's Special Care Unit provides residents who have an acquired brain injury with specialized care in a safe, secure, respectful and compassionate living environment that focuses on maximizing resident function.

The Special Care Unit enables residents to live life to their fullest potential.

Residents engage in activities that

are productive, promote safety,

growth, independence and enhance

quality of life.
